## ACADEMIC PLANNING

### REVIEW

Review your remaining UCLA degree requirements (GE, pre-major, major, minor, foreign language, & upper division units).

### SEARCH

Search UCEAP courses and identify options you think are comparable to your UCLA degree requirements.

### DISCUSS

Complete the Academic Planning Form (APF). Discuss it with your UCLA academic advisor(s). Seek feedback on likelihood of UCEAP courses fulfilling degree requirements.

### PETITION

Petition with your academic advisors (if needed) to apply UCEAP course credit toward your degree requirements.

## BEFORE GOING ABROAD

## AFTER RETURNING

**\*Pre-approvals are not given by the History Department. Use Step 3 as a guide for non-major degree requirements, like GE's.**

## HISTORY ABROAD

### GUIDELINES FOR UCEAP COURSES

**A maximum of 4 UCEAP courses (or 16 quarter units) may be applied toward...**

#### • Lower Division Major Prep

The History Department can accept courses from abroad that transfer back as lower division history credit.

#### • Major Electives

Coursework must be upper division and listed as a history subject once transferred from abroad.

#### Pre-approvals & petitioning

Although the History Department does not provide pre-approvals for courses taken abroad, students who follow these guidelines when selecting UCEAP coursework are typically successful in petitioning for major credit.

## OTHER NOTES

#### • Research/internships abroad

Coursework associated with undergraduate research or an internship abroad may be applied towards the History major if it is taken for a letter grade and transfers as a history subject course.

#### • Non-major degree requirements

Students are not restricted to taking courses only in their major abroad. You may also consider courses abroad to satisfy GE, minor, foreign language, & upper division unit requirements.

## TERMS ABROAD

Study abroad is possible as early as summer after your first year, as late as summer after your last year, and anywhere in between. Start planning now to determine which term is best for you!
